## SLEEPS FOUR

- 1) Speed determined by GPS. Fuel consumption based on total usage by engines. MPG computed from MPH and GPH. Range based on 90% of total fuel capacity.
- 2) The performance data shown is valid only for the specific boat tested and the conditions that existed when the test was performed. Many factors may affect performance, including but not limited to, installation of certain options; vessel loading and trim; weather and sea conditions; and engine, propeller, and hull bottom conditions. Sea Ray makes no performance guarantees.

## AT A GLANCE

**A FIBERGLASS HARDTOP**  
The fiberglass hardtop offers protection from the elements while letting in breezes. It's also available with an optional opening panoramic skylight.

**B PORT-SIDE WALKTHROUGH**  
A gas-assisted door makes transitioning from the cockpit to the bow effortless.

**C VERSATILE BOW**  
The bow features C-shaped seating with foldable armrests. Add an optional teak table to convert it to a dining space or an optional filler cushion to create a sun lounge.

**D CONVENIENT STORAGE**  
Ample storage is located throughout the boat, including a compartment for the windlass, anchor chain and rope.

**E CABIN WINDOWS**  
Hull-side windows filter natural light into the cabin below. The cabin sleeps four and is beautifully furnished for an oasis-like retreat on the waves.

## AT A GLANCE

**A INNOVATIVE TECHNOLOGY**  
Personalize your boat with a variety of electronics upgrades including an optional Simrad® HALO24 radar and optional SiriusXM® Marine Weather satellite receiver and antenna.

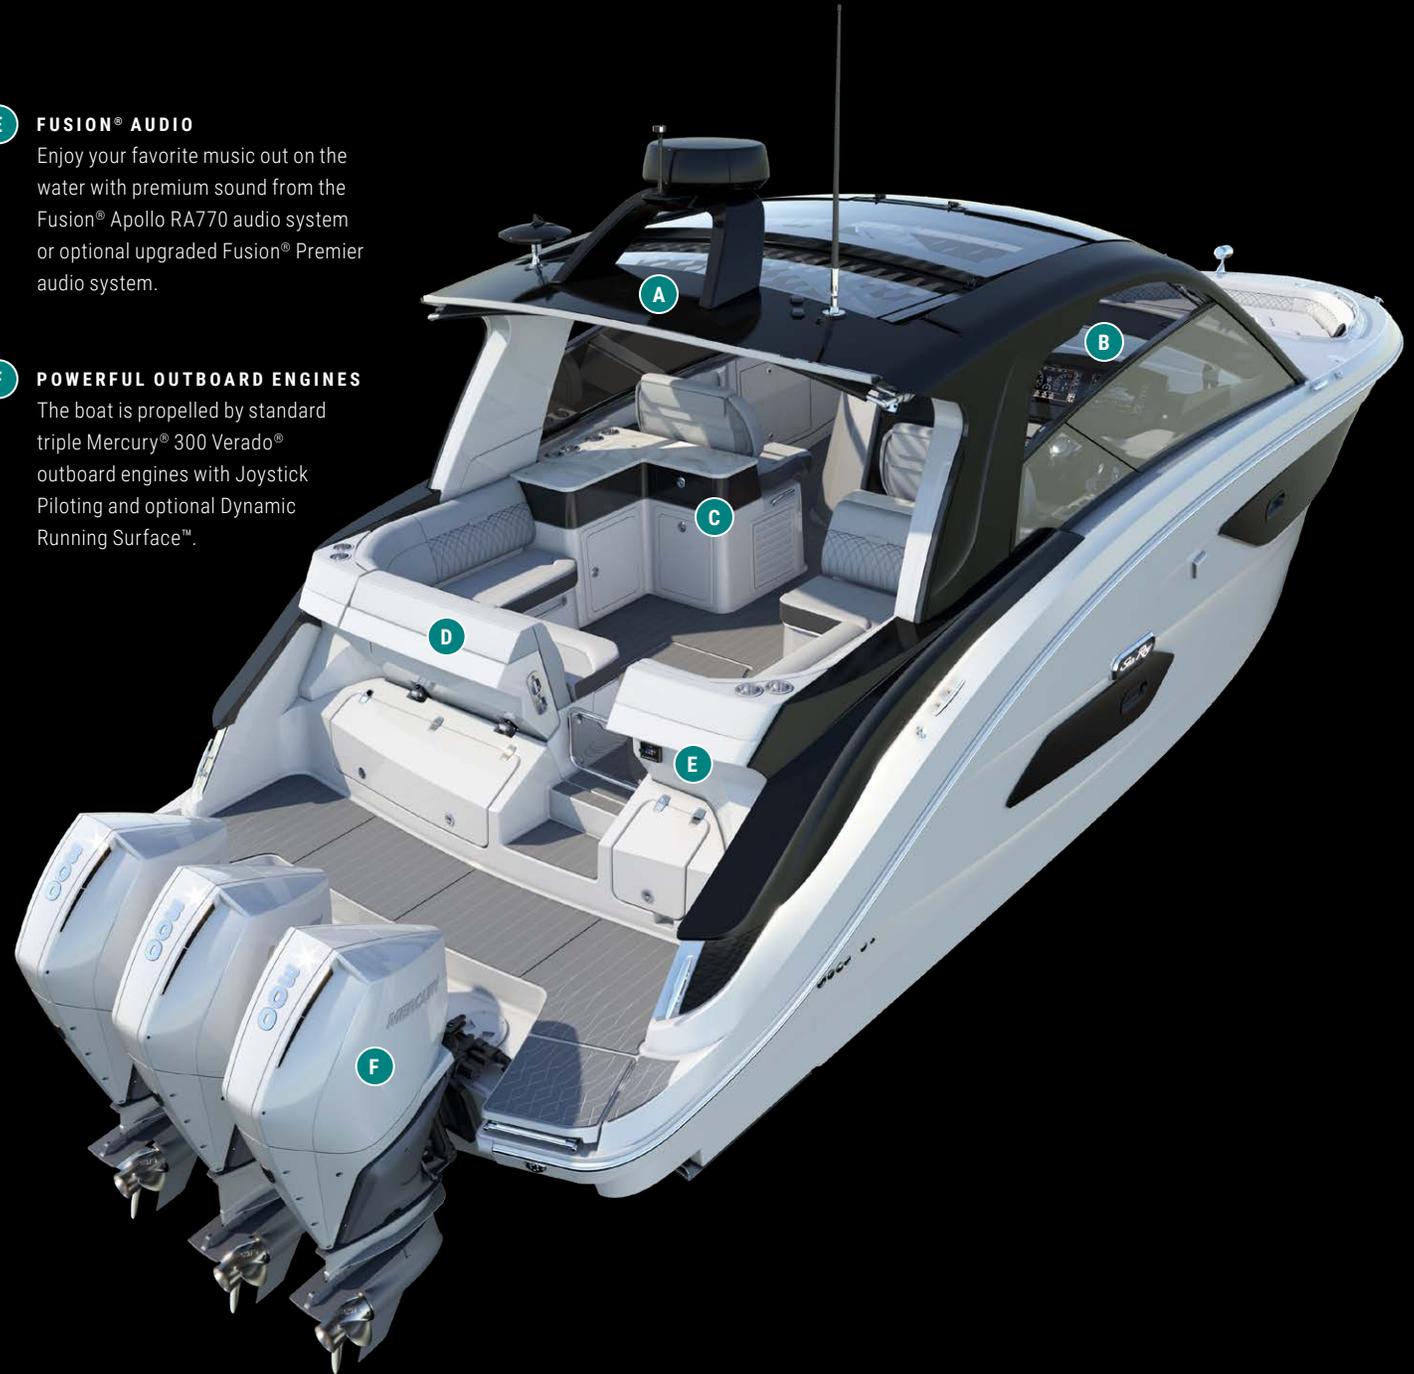

**B DUAL DIGITAL DASH™**  
The helm is equipped with a Digital Dash™ for confident command offering dual 16" Simrad® NSO evo3 touchscreen displays with Active Trim control & monitoring.

**C MADE FOR ENTERTAINING**  
With plenty of seating, the cockpit features a wet bar and teak port table. Options include a Kenyon grill, refrigerator and teak starboard table.

**D THREE-POSITION TRANSOM SEAT**  
The convertible transom seat easily transitions from a hard-back surface to an aft-facing seat. Add an optional filler cushion to create an expansive sunpad.

**E FUSION® AUDIO**  
Enjoy your favorite music out on the water with premium sound from the Fusion® Apollo RA770 audio system or optional upgraded Fusion® Premier audio system.

**F POWERFUL OUTBOARD ENGINES**  
The boat is propelled by standard triple Mercury® 300 Verado® outboard engines with Joystick Piloting and optional Dynamic Running Surface™.

# LEGACY + LEGENDARY PROPULSION

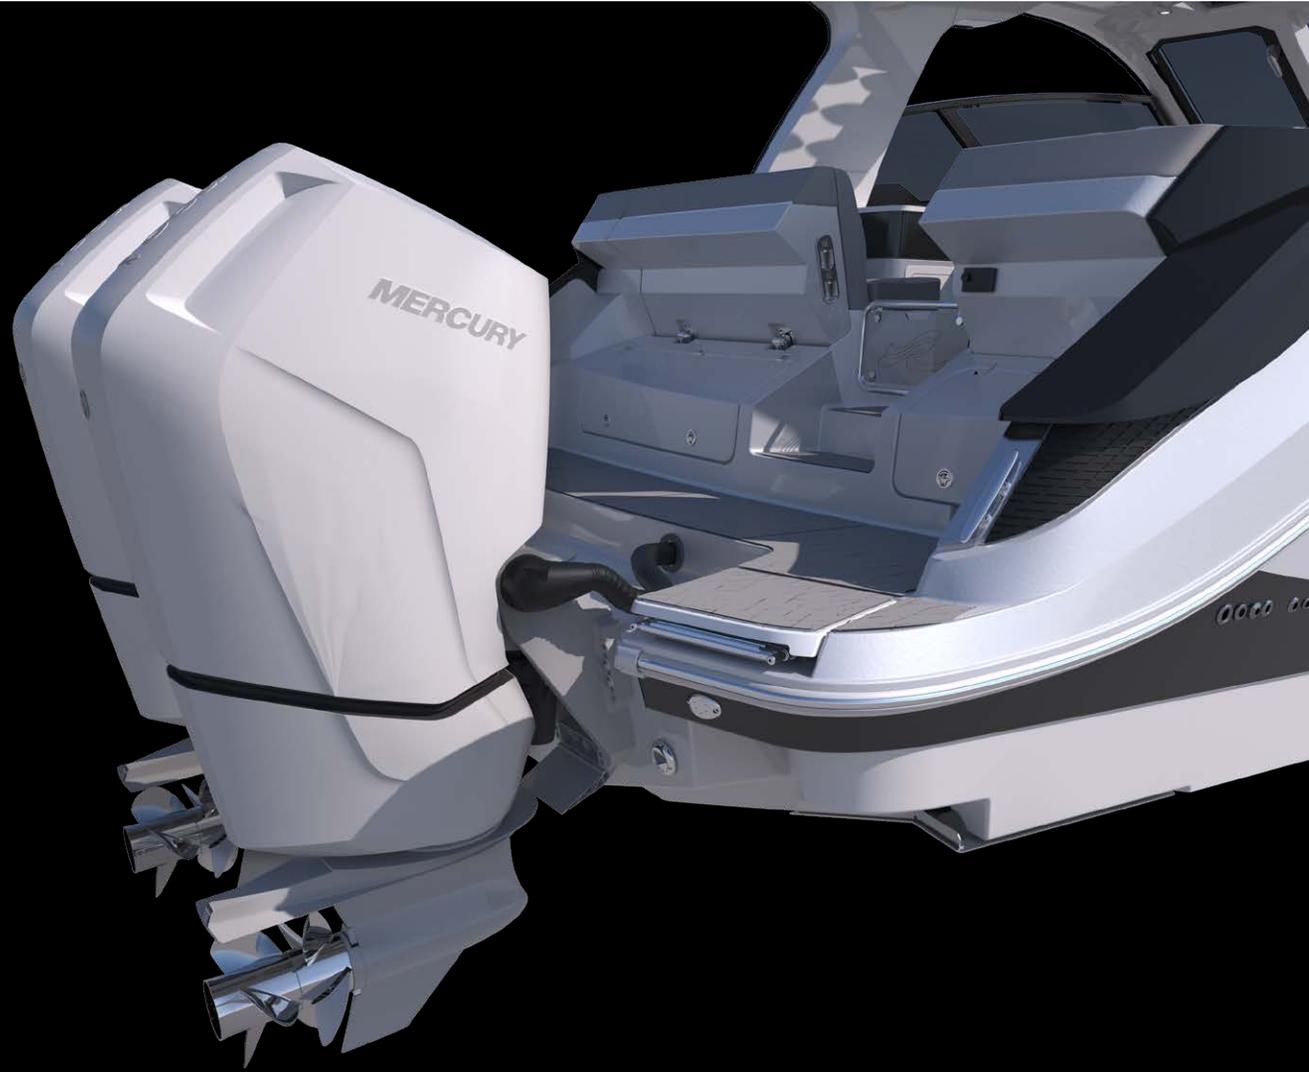

TWIN MERCURY® 600 VERADO® 7.6L V12 OUTBOARD ENGINES ENGINEERED FOR EXCELLENCE

Experience the freedom to explore beyond the horizon with the unwavering strength and extraordinary range of twin 7.6L V12 600hp Verado outboard engines. The latest advancement in legendary propulsion from Mercury, the engines are available as an optional upgrade to the Sundancer® 370 Outboard. They feature an independently steerable gearcase and contra-rotating propellers to enhance handling and deliver seamless control. With the ability to operate for up to 200 hours between regular service, maintenance is minimized. Combined with Mercury's sophisticated Next Gen Digital Throttle & Shift (DTS) system, and unmatched sound-dampening technology, the 600hp Verado engines impress at every speed.
